ABOUT  
CAR SEATS

INFANT SEATS i-SIZE	Suitable from birth up to 75 cm approx.
CONVERTIBLE SEATS GROUP 0+/1 – 0+/1/2/3	Rearward then forward facing convertible car seat. Suitable from birth to approx. 12 years (0-36kg).
HARNES BOOSTERS GROUP 1/2/3	Harness boosters come equipped with a removable harness. Suitable from approx. 1 to 12 years (9-36kg).
HIGHBACK BOOSTER SEATS GROUP 2/3	Highback booster seat, Suitable from approx. 4 to 12 years (15-36kg).
ISOFIX	 <p>ISOFIX is an internationally standardised car seat fitting system that attaches your car seat or car seat base to the two metal ISOFIX anchor points in your vehicle's rear seat. The easiest way to know if your car is ISOFIX compatible is to check your car seat manual.</p>
ISOCATCH	 <p>When a car seat is in the vehicle and is not in use, the car seat can turn into a dangerous object in the event of a collision. Graco invented an additional safety feature called isoCatch that is available in select car seats to prevent this. isoCatch connectors easily clip to the ISOFIX points in your car, ensuring the car seat always stays in place—with or without your little one in it.</p>
R44	R44 (legally known as ECE R44/04) car seats are based on your child's weight. Car seats are divided into groups based on weight, with some covering multiple groups. Eventually, R44 car seats will no longer be available for purchase, but these seats are still safe to use.
R129	 <p>R129 (legally known as ECE R129) car seats are based on your child's height. In 2024, all car seats available for purchase will meet this new standard. Under R129, all kids must sit rearward facing until they reach 75cm and 15 months of age.</p>
i-SIZE	 <p>i-Size is an optional certification in addition to the ECE R129 standard. The goal is to make it easier to ensure that your car seat will fit in any i-Size approved car. i-Size certified seats also reduce the risk of improper installation.</p>

NEW

## TURN2ME™ i-SIZE (R129) 360° ROTATING ISOFIX CAR SEAT

From 40 to 105 cm (birth to approx. 4 yrs.)

### *360° of effortless journeys and advanced safety*

Our parent-favourite 360° rotating car seat is now i-Size certified and ready to make sure every journey is worry-free. Turn2Me™ i-Size passes the latest and greatest EU R129 safety standards while giving you that one-hand, 360° spin that makes getting your little one in and out of the vehicle as easy as ever. Designed with a straightforward installation method and packed with features for extra comfort, parents and children alike will love Turn2Me™ i-Size.

#### **i-Size safety**

Our original Turn2Me 360° rotating ISOFIX car seat has been adapted to meet the EU's new R129 standards.

#### **Quick ISOFIX installation**

The incorporated ISOFIX connectors allow you to install with just one click. The handy colour-coded indicators show you when the car seat is secure and ready to go.

### *Easy 360° seat rotation*

No more awkward bending for parents! Turn2Me R129 smoothly turns with just one hand, meaning you can get your little one in and out of the car hassle free.

### *Interchangeable TrueShield™ Side Impact Protection pod*

The side impact protection pod attaches to either side of the car seat. In the event of a collision, it works to reduce the impact and better protects your child's head, neck and spine.

- Safety Surround™ Side Impact Protection wraps around your child and provides enhanced head and body protection
- Side-shell ventilation enhances airflow to help keep baby cool
- Cosy newborn insert to keep the littlest ones comfortable and happy
- 5-point harness is easily adjusted with one hand
- Integrated 12-position load leg provides a secure fit to your vehicle and absorbs energy in the event of a collision
- Integrated colour-coded indicators confirm correct ISOFIX installation and load leg positioning
- Plush fabrics for comfort on every ride
- Machine-washable fabric covers for easy clean up
- Multi-position, no-rethread headrest and harness easily adjusts as your child grows
- Tilts 5 angles rearward facing and 5 angles forward facing

**Rearward facing:** From 40 to 105 cm (birth to approx. 4 yrs.)  
**Forward facing:** From 76 to 105 cm (15 months to approx. 4 yrs.)

NEW

## EXTEND™ LX R129 2-IN-1 CONVERTIBLE CAR SEAT

From 40 to 105 cm (birth to approx. 4 yrs.)

*The simple and safe way to go  
and grow*

This parent-friendly convertible car seat is now upgraded to pass the latest and greatest EU R129 safety certification standards. Extend LX R129 includes extended rearward facing until your little one is 105cm (approx. 4 years old) and goes forward facing as well.

### R129 ready

Our original Extend convertible car seat has been adapted to meet the EU's new R129 standards.

### No-rethread harness

With just one hand, simultaneously adjust the no-rethread harness and the 6-position headrest to ensure a secure fit at every stage.

### 2-in-1 convertible car seat

Extend LX R129 easily transitions from a rearward-facing harnessed seat (40-105cm) to a forward-facing harness booster (76-105cm) to adapt as your child grows from baby to little kid.

### 4-position recline

With 1 rearward and 3 forward recline positions, your child will enjoy the ultimate in comfort on each and every ride.

- Safety Surround Side Impact Protection wraps around your child and provides enhanced head and body protection
- Vehicle seat belt installation is easier than ever with dual lock-offs and clear, colour-coded installation paths for connecting the car seat securely to your vehicle
- Padded newborn insert keeps baby comfortable and is also machine washable
- 5-point harness is easily adjusted with one hand
- Machine-washable covers for easier clean up
- Plush fabrics for comfort on every ride
- Padded harness pads included

**Rearward facing:** From 40 to 105 cm (birth to approx. 4 yrs.)  
**Forward facing:** From 76 to 105 cm (15 months to approx. 4 yrs.)

**Midnight**

NEW

## SLIMFIT™ R129 2-IN-1 CONVERTIBLE CAR SEAT

From 40 to 145 cm (approx. birth to 12 yrs.)

*Advanced safety for the only car seat  
you'll ever need*

Our most popular car seat is now upgraded to pass the latest and greatest EU R129 safety certification standards. SlimFit R129 is still truly the only car seat you'll ever need and is now safety enhanced by only riding rearward facing when using the 5-point harness and then transitioning forward facing when your child is ready for the highback booster mode.

### R129 ready

Our original SlimFit convertible car seat has been adapted to meet the EU's new R129 standards.

### Adjustable width

SlimFit R129 adapts as your child grows both up and out.

SAFETY  
SURROUND™

### 2-in-1 convertible car seat

SlimFit R129 easily transitions from a rearward-facing harnessed seat (40–105cm) to a forward-facing highback booster (100–145cm) to adapt as your child grows from baby to big kid.

### *Interchangeable TrueShield™ Side Impact Protection pod*

The side impact protection pod attaches to either side of the car seat. In the event of a collision, it works to reduce the impact and better protects your child from head to hips.

- Safety Surround Side Impact Protection wraps around your child and provides enhanced head and body protection
- No-rethread harness allows you to easily adjust the harness and headrest together as your child grows
- 10-position headrest provides proper support for your child's head and neck
- Integrated harness storage lets you store the harness away without fuss
- Integrated belt lock-off for easier seat belt installation
- Plush fabrics for comfort on every ride
- Machine-washable fabric covers for easy clean up
- Padded newborn insert and harness pads included

**Rearward facing:** From 40 to 105 cm (birth to approx. 4 yrs.)  
**Highback booster:** From 100 to 145 cm (approx. 3.5 to 12 yrs.)

**Iron**

# SNUGESSENTIALS™ i-SIZE INFANT CAR SEAT

From 40 to 75 cm (birth to approx. 12 months)

## *Safety and comfort for the first journey*

From your very first trip in the car together, the SnugEssentials i-Size infant car seat will lovingly protect the newest addition to your family from birth to approx. 12 months (40-75cm). Baby will be in the safest of hands with this car seat that meets i-Size safety standards and has been awarded a 4-star rating by ADAC.

### **i-Size certified**

When used with the IsoFamily™ i-Size ISOFIX base\*, SnugEssentials i-Size meets the standard for this important European car seat regulation. \*Product sold separately.

### **Compatible with Graco pushchairs**

Use your SnugEssentials i-Size car seat with all of our strollers that have Click Connect™ compatibility.

## *ADAC approved*

ADAC is a German automobile organisation that tests car seats more rigorously than what European safety laws require. SnugEssentials i-Size received a 'Good' (1.8) rating when used with our IsoFamily i-Size ISOFIX base.

*Large canopy  
provides shade  
and protection*

- Lightweight at only 3.66kg makes for effortless journeys
- Padded memory foam head insert
- Large canopy provides shade and protection
- 5-point harness is easily adjustable

# ALL WAYS™ SOOTHER 2-IN-1 SOOTHER AND ROCKER

From birth up to approx. 9 months (0–9kg)

## *Moves and soothes like parents do*

It's no surprise that every baby calms differently. That's why All Ways Soother has 16 different soothing motions — the most of any Graco® swing or soother. Take advantage of all those options to find the perfect customisation of sway, speed, and sound. When travelling throughout the home or visiting others, the swinging seat conveniently doubles as a removable rocker with calming vibrations.

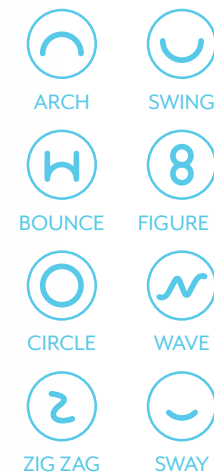

### **Multi-direction seat**

The multi-direction seat allows baby to enjoy either side-to-side or front-to-back swinging for even more soothing options.

### **Removable rocker**

This clever 2-in-1 design has a removable, portable rocker seat so it's easy to keep baby right by your side throughout your home.

## *16 ways to swing and soothe*

With 16 ways to soothe and 6 swing speeds, you are always sure to always find an option that keeps your little one comforted.

Mobile with 2 soft toys

Vibration with 2 speed settings

- 6 swing speeds
- 3-position recline for optimal comfort
- 10 melodies and 5 nature sounds
- Plush soft goods with removable infant head support for added comfort
- 5-point harness keeps baby secure
- Removable cover and inserts are machine washable
- AC adaptor / batteries

Little Adventures

# MOVE WITH ME® SOOTHER

From birth up to approx. 9 months (0–9kg)

## *Swing n' soothe everywhere you go*

Move with Me soother mimics the natural soothing movements of parents with gentle and relaxing side-to-side motions. This compact soother comes with an integrated carry handle and two-step folding mechanism for easy room-to-room portability.

### **Integrated carry handle**

The integrated carry handle with a two-step fold makes it easy to take Move with Me from room-to-room.

### **Canopy with 2 soft toys**

The soft toys keeps your baby entertained while you accomplish everything on your to-do list.

## *5 swaying speeds*

Choose from 5 different swaying motions to provide the relaxation and comfort baby needs during those early newborn days.

**Compact when folded**

**2-position recline for optimal comfort**

- 
- One small and gentle push from parent to start motion
  - Vibration with 2 speed settings
  - MP3 connectivity
  - 10 music options
  - 5 built-in sounds
  - 5-point harness keeps baby secure
  - Removable cover and inserts are machine washable
  - AC adaptor/batteries

# LOVIN' HUG™ SWING

From birth up to approx. 9 months (0–9kg)

## *Stimulate, soothe, rest*

Keep your little one soothed and relaxed with the Lovin' Hug swing that's packed full of features both you and your baby will love!

### **4-position recline**

4-position recline adjusts with just one hand and provides optimal comfort for your baby while resting or playing.

### **Easy access child's tray**

Simply lift up the child's tray for an effortless way to get baby in or out of the swing.

### **6 swing speeds**

6 swing speeds allow you to adjust to baby's preference and ensure the ultimate soothing experience.

**10 classical melodies  
and nature sounds**

**Removable cover and inserts  
are machine washable**

- 
- Mobile with plush toys for visual stimulation
  - Soft removable head support and cushioned seat pad
  - 5-point harness keeps baby secure
  - AC adaptor/batteries

## FOLDLITE™ TRAVEL COT

Suitable from birth up to approx.  
3 yrs. (0–15kg)

### *Portability made perfect*

Introducing Graco®'s biggest evolution of the travel cot since the launch of our original travel cot over 30 years ago. This one-of-a-kind design offers two ways to fold and way less weight to carry.

### **Instant home fold**

The Home Fold option is extra fast and extra flat at only 26cm wide. It tucks into any space in your home in seconds and pops back up just as fast.

### **Compact travel fold**

The Travel Fold option takes another step to collapse and becomes incredibly compact, making it the perfect option for when you're on the go.

### *Modern frame*

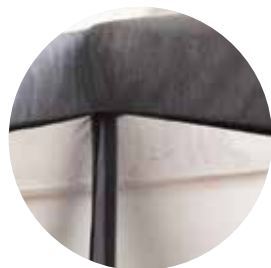

Experience this all new, light in weight, yet function-loaded cot that lets you save your energy for your little one and your lengthy to do list.

Only 6.78kg and up  
to 30% less overall weight  
than traditional travel cots

Convenient carry bag included for  
no-fuss travel and storage

Easy-view mesh to see  
baby from all sides

Two wheels for easy  
manoeuvrability
